Implants are a specialty area not recognized by the ADA that require no specific training to advertise this service.

## Get That Natural Looking Smile Back!

Losing a tooth, whether in the front or back, can feel more than uncomfortable. It also can affect your self-esteem, and let's face it, your overall health.

You might be able to hide your missing molar, but it can change the shape of your face over time. When you lose a front tooth, you also lose your confidence. Each tooth is essential, and with a few or more gone, it can even have a negative impact on the way you eat, and even how you speak.

Dentures and partials are great at fixing all these issues. It goes beyond restoring your beautiful smile and also protects your remaining teeth.

Are you still holding yourself back from getting dentures? At Dental Centers, we offer an array of procedures and options to improve your smile, from the basics to more advanced solutions.

Visit us today! To see how we can help improve your smile. For over 43 years we still offer The Best, For Less...In A Day!

Call us today at (800) 354-1905 for more information or visit us at [www.MidAmericaDental.com](http://www.MidAmericaDental.com) to see our complete line of affordable dentures and pricing that will fit anyone's budget!

## Send Them Off...In Confidence... With A Healthy Smile!

We all know first impressions are lasting ones. Help give your child the added confidence with a bright, healthy smile for back to school. A warm, and happy smile is often the first thing people notice. If your child has a healthy smile it will help them make easier connections with teachers and new classmates. A confident smile can also help give them an added advantage in meeting new friends and participating in school activities.

Call us at (800) 354-1905 or (417) 466-7196 and schedule your child's annual checkup today. We offer dentistry for the entire family, ages 4 and up. Our services include: Oral Evaluations, Digital X-rays, Cleanings, Fillings, and more. Our experienced team of dentists, hygienists, and expanded duty dental assistants are qualified, ready to accurately evaluate, and treat your family's dental health needs. Also, tell your friends new patients are always welcome at Mid-America Dental Center.

Here are some TIPS to keep your Dentures Clean and Trouble Free:

- Remove and rinse dentures after eating.
- Avoid using hot water on dentures.
- Avoiding the use of abrasive cleaning materials.
- Remove your dentures before bed and soak in water overnight (make sure to change out the water daily).
- Rinse your dentures before putting them in your mouth.
- Schedule regular dental checkups – recommended every six months.

Also, don't forget Dental Centers at Mid-America Dental and Hearing Center is available to help you anytime. Schedule your consultation today, or visit us online for more information and assistance.
