Lost Your Dentures?

Sometimes the unexpected happens, even when you're careful with your dentures. So what do you do when the dog chews up your dentures, they fall out of the car window, or they just get lost? If you purchased our Denture Loss & Damage Warranty, then you're covered! Yes, we'll replace your dentures if you run over them with the car, leave them in a hotel room, or they fell in the lake. Only a small replacement fee applies.

Denture Loss & Damage Warranty is only \$75 per arch and covers loss and damage to your dentures (outside the normal repair warranty) for 1 year. Terms and conditions apply.

Be sure to purchase the Denture Loss & Damage Warranty with your next set of dentures. You can also purchase it to cover your current set, for that extra protection of your investment. Ask us for more information at your next visit, or call us at 800-354-1905 or 417-466-7196 today.

Dr. Hildreth & Associates are Missouri licensed General Dentists. They are not licensed in Missouri as specialists in the advertised dental specialty of Prosthetics, Orthodontics or Oral Surgery.
